Our Core Services

Two specialties. One trusted team.

Residential Electrical

Panel upgrades, EV chargers, ceiling fans, lighting, outlets, generators, smart home wiring, and full home rewires.

Residential services →

Commercial Electrical

Tenant build-outs, lighting retrofits, code compliance, emergency repairs, data/low-voltage, and scheduled maintenance.

Commercial services →

Why South Florida Electric?

Fast Response

Same-day appointments and 24/7 emergency dispatch across the tri-county area.

Licensed & Insured

Florida master electricians with full liability coverage. We pull every permit.

Honest Pricing

Flat-rate quotes before we start. No surprise charges, ever.

Ready to schedule?

Pick a date and time that works for you — we'll handle the rest.

SERVICES

Everything electrical, done right.

Whether you need a new outlet or a full commercial retrofit, our master electricians have you covered.

Residential

Panel Upgrades

Upgrade aging panels to modern 200A service with whole-home surge protection.

EV Charger Install

Level 2 home charging stations professionally installed and permitted.

Lighting & Fans

Recessed lighting, ceiling fans, outdoor and landscape lighting installs.

Outlets & Switches

New outlets, USB outlets, GFCI/AFCI protection, and dimmer installs.

Whole-Home Rewires

Replace old aluminum or knob-and-tube wiring with safe modern wiring.

Generators

Standby and portable generator installs with automatic transfer switches.

Commercial

Tenant Build-Outs

Full electrical for new restaurants, retail, and office build-outs.

LED Retrofits

Energy-saving LED conversions with potential utility rebate assistance.

Code Compliance

Inspections, corrections, and certifications to keep your business compliant.

Emergency Repairs

24/7 dispatch for power outages, panel failures, and electrical emergencies.

Data & Low-Voltage

Structured cabling, network drops, and access control wiring.

Maintenance Plans

Scheduled preventative maintenance to avoid costly downtime.
